Secure your alpine escape in this impressive log home. This classic chalet offers a timeless aesthetic and all of the comforts of modern living. Highlights include:

- 🏡 **Alpine charm:** With its impressive log construction and classic silhouette, the Northhills Log House evokes the atmosphere of a European alpine chalet and is just as "at home" here in Hanazono as it is in the area's sister city of St. Moritz, Switzerland.
- 🏡 **Incredible location:** Situated just across the street from the Hanazono Golf Course, and mere moments from the Niseko Hanazono Resort and Park Hyatt Niseko. Enjoy the best of the resort lifestyle - all while retaining the privacy of your own home.
- 🏡 **Commercial freedom:** Home is in a less restrictive zoning area, allowing for greater freedom and flexibility allowing a future owner the option to operate the home as a vacation rental.
- 🏡 **Spacious garage:** The ground floor is home to a large two car garage keeping your vehicle snow-free in winter, and providing plenty of extra space to store a sportier summer car and plenty of outdoor gear.
- 🏡 **Solid construction:** Built on a concrete base and framed with sturdy timber logs, this chalet is designed to endure Niseko's deep snow and harsh winters for decades to come.
