A ONCE-IN-A-LIFETIME OPPORTUNITY TO ACQUIRE A 6,451-TSUBO FORESTED SANCTUARY, AND FORMER SITE OF A LEGENDARY 1891 HOT SPRING

¥160,000,000

Per Tsubo: ¥24,800

Hidden away in a tranquil, forested valley in Rankoshi, this expansive 21,327 sqm (6,451.41 Tsubo) parcel offers absolute seclusion while remaining surprisingly close to the vibrant Niseko area. Accessed via a quiet gravel road, the property feels a world away from the busy resort centers, providing a true sanctuary in the Hokkaido wilderness.

A legacy of wellness:

This remarkable property is the former site of the Niseko Yakushi Onsen, a historic hot spring retreat that opened in the 24th year of Japan's Meiji industrialization era (1891). The onsen operated for well over a century before finally succumbing to Niseko's heavy snow, and collapsing in 2014.

Once counted among Japan's top three "hidden onsen", and celebrated for its unique, mineral-rich waters, the Yakushi Historic Onsen Estate provides a rich and storied legacy for a landmark private estate, onsen project or onsen subdivision.

Despite its secluded feel, the estate enjoys surprisingly convenient drive times to popular areas throughout the Niseko region:

10 minutes to: Niseko Moiwa Ski Resort, Niseko Annupur Ski Area, Kombu Station

15 minutes to: Niseko Village Resort, Niseko Town, Rankoshi Town

20 minutes to: Hirafu Village, Niseko Tokyu Grand HIRAFU
